Holy Family Sunday—December 30, 2018

SPECIAL APPEAL--UPDATE We requested a grant from an anonymous foundation a couple months ago. It has led us to a challenge, and it's going extremely well so far: some \$46,000 has been given. We asked the foundation for help catching up on three specific expenses but this appeal to the parish focuses on one of them: Fire Marshall Ordered us to fix deficiencies in the gym and our old hall that add up to at least \$64,000. After our new hall was done last summer the Fire Marshall inspected the older part of the building and came up with this list for our safety. Please use the envelope attached to this bulletin to contribute. If you would like to be part of this effort before year's end please be sure to write a date bearing the year 2018 and turn it in on time for tax purposes. We will conclude the appeal on January 31st, 2019. If there are leftover funds or late donations generated by this campaign they will be deposited to the construction bank account we still use for our future church. If you would like to designate a gift towards parish expenses, feel free to do so.

DO NOT SALT OUR NEW CONCRETE THIS WINTER—it will damage it!
Thank you.

YOU CAN WATCH VIDEOS to learn your Catholic Faith. Go to www.formed.org to register for a paid-up membership that gives you access to things like the Symbolon video series. Once you've seen it you'll be a much more informed Catholic who can answer other people's questions about your Faith because you understand it. Get started by entering our parish code: 34BQZB ("thirty-four barbecued zebras") and then set up your own username and password. You can opt out of the promotional emails they will send—just like the ones every other streaming service sends. Share Formed and Symbolon with your family and let's get lots of use from our membership.

COLLECTION ENVELOPE DO'S AND DON'TS Please consider the people who count the collection each week. Here are a couple things you can do to make their job easier: Don't combine multiple items on one check. Often this means cashing the check and separating monies for different things which makes errors more common. Don't put tape, seals, glue or staples on your envelope. We need that envelope to be in good shape while it's kept in storage for a year and it often gets shredded in the process. Do give according to your means—if your income has risen or fallen, the amount you give to church and charities should change, too. Thank you!
