FINDING FORGIVENESS Linda is a woman who had an abortion. She writes, "My breaking point with ...[my former] Church was when I was feeling truly guilty because of what I had done, I knew it was wrong, but people were trying to justify it to me. I didn't need justification, I needed to know how to reconcile an already fragmented relationship with the Lord I desired... but I was too weighed down and no one seemed to see the need of forgiveness and reconciliation, at least until I came into contact with the Catholic Church. The funny thing is, so many people seem to see the Church as uncompassionate and uncaring, it was where I found love, acceptance, and forgiveness..."

"Come after me, and I will make you fishers of men." Mt. 4:19
